Sir,

Adverting to Govt order No L 1511-14 Ml 95-35-2 dated 29th August 1935 sanctioning the revised estimate amounting to Rs 72,500/- for the work of the Labour Colony Housing Scheme near Srirampur and ordering the expenditure to be met out of the Loan Funds of one lakh of rupees allotted for compensation I have the honor to state that as the balance available out of the loan of one lakh of rupees after payment of compensation claims was found to be insufficient for meeting the full expendi-ture of the Labour Colony houses, a sum of Rs 25,000/- was provided in the current year's budget proposals out of the normal revenues for this work But the Government while according sanction to the Budget in their order No L 1607-10 Ml 228-34--2 dated 28/29th August 1935 have stated that as the scheme has been ordered to be financed from Loan Funds, the provision of Rs 25,000/- may be debited to these funds The loan of one lakh of rupees has now been completely spent and the Local Auditors have objected to admit the expenditure bills for the Labour Colony housing scheme for want of provision under Loan Funds from which the scheme has been ordered to be financed

It is therefore proposed to meet the further expenditure of the Labour Colony housing scheme from the provision of - - Rs 25,000/- which is still available in the sanctioned budget for Labour Colony

I request the favour of your obtaining early sanction of Government for meeting the further expenditure for the Labour Colony housing scheme from the provision of Rs 25,000/- made in the Budget out of Normal Revenues

I have the honor to be,
Sir,
